Bold Names – Transition Support Team LIDDAs

TST TEAM

TST must include:

- Licensed health–related professionals with expertise working with individuals with IDD such as:
 - Social Worker
 - Physician
 - Physician’s Assistant
 - Nurse Practitioner
 - Registered Nurse
 - Psychiatrist
 - Psychologist
 - Behavior Specialist

PURPOSE OF TST

Assist LIDDAS, and providers of HCS, TxHmL, CLASS and DBMD programs serving individuals with IDD who are:

- At risk of being admitted to institutional setting
or
- Transitioning from institutional setting back into the community

* Institutional Setting = nursing facility (NF), state hospitals (SH), state supported living center (SSLC), or jails

WHO TST SUPPORTS

Provide Medical, Behavioral, and Psychiatric Support to

- Local Intellectual and Developmental Disability Authorities (LIDDAs)
- Home and Community-based Services (HCS) program providers
- Texas Home Living (TxHmL) program providers
- Community Living Assistance Support Services (CLASS)
- Deaf Blind with Multiple Disabilities (DBMD)

TECHNICAL ASSISTANCE

Information on specific disorders or diseases as well as best practices and evidenced-based services for individuals with specific medical, behavioral, and psychiatric challenges

*We do not provide direct services; we assist in finding resources and evidence-based practices to enhance the supports already in place or to identify supports to enhance the continuity of services and/or transition of the individual.

EDUCATIONAL ACTIVITIES OR TECHNICAL ASSISTANCE PROCESS

- Contact appropriate Transition Support Team with request
- Will receive response within 3 business days with acknowledgment of receipt and if required, request for more information
- Will provide response to technical assistance within 3 business days unless otherwise noted
- Will schedule training to fit needs of your audience

CASE REVIEWS

Regular case review sessions

- 3 day response with acknowledgment of receipt and if required, request for more documentation
- Conclude with a written report and follow-up instructions provided within 2 work weeks

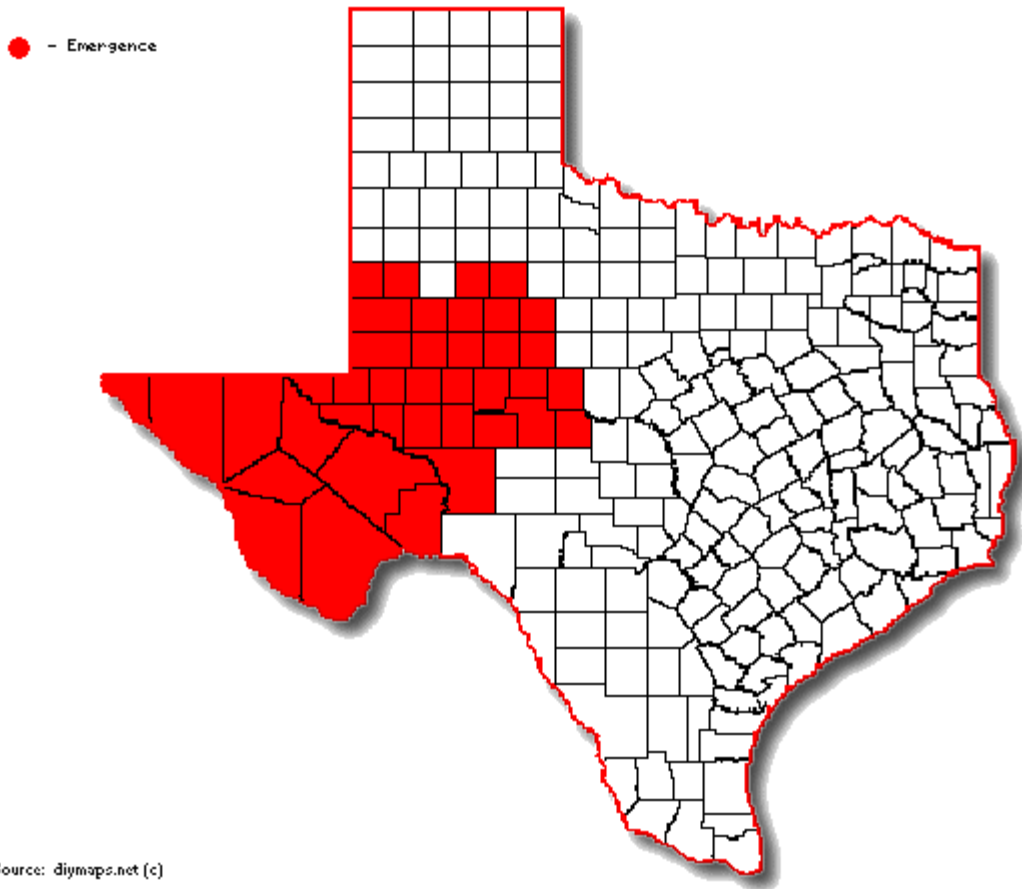

CASE REVIEW REFERRAL PROCESS

- PASRR Habilitation Coordinator from designated LIDDA will contact appropriate Transition Support Team to notify of recommendation for Community Transition
- Will receive response within 3 business days with acknowledgment of receipt
- Designated LIDDA's PASRR Habilitation Coordinator will present the individual to TST's multidisciplinary team for recommendations
- Conclude with a written report and follow-up instructions provided within 2 work weeks
- Additional meeting attendance and/or NF visit is at the discretion of the TST

TEAMWORK

- Teams work together to assist when a person is transitioning to an area that is outside of their region.
- We share training and educational opportunities throughout the state.
